Dear Parents and Carers,
Year Five, Judo

Year Five had a fantastic time learning judo techniques. They were taught the etiquette of judo and experienced first-hand the discipline and flexibility needed.

Young Musicians Concert

The children enjoyed the young musicians concert. Thank you to Polka Dot Concerts and Jonah on the double bass.

Robotics Challenge

The children had an excellent time taking part in the robotics challenge using Lego Mindstorm. They took part in lots of activities as they learned how to build and programme a Lego robot.

Years Five and Six, High Five Netball Tournament

Well done to the children who took part in the High Five Netball tournament on Thursday. Two teams were entered into the competition the children played against other schools and performed really well. Everyone showed great sportsmanship and team work.
