Dear Parents and Carers,

Pilton Learning Community High Five Netball Tournament

Two teams from Years Five and Six had a great time playing six matches against strong opposition in this week's tournament. The children showed determination, excellent teamwork, resilience and a love of competitive matches which was a joy to see. It was a fantastic result with the Goodleigh Red netball team coming first in the tournament, bringing home medals and a shield. This team now has the honour of going through to the next round later this month. Well done to all of the children.

Dear Parent / Guardian,

We're delighted your child's school is taking part in Hat Day to support the work of the children's charity Barnardo's. All your child needs to do is wear a hat to school on February 10.

Taking part is easy!

Hat Day is about encouraging children to dream big and be whoever they want to be. Here's how to get involved:

1. Ask your children what they'd like to do, or who they'd like to be, when they grow up.
2. Find or make a hat that represents their dream. There are no rules, no limits, anything goes!
3. Encourage them to wear their hat to school on Friday 10 February 2017.
4. Make a voluntary donation to help support Barnardo's.

A little inspiration

Maybe your child wants to be a doctor, a singer, a teacher or a racing driver. Or maybe they dream of being a skateboarder, a wizard or an astronaut. The options are endless, and your child can choose any idea they like.

Children helping children

By joining Hat Day your child is playing a vital role in supporting the UK's most vulnerable children and their families.

For 150 years, Barnardo's has worked with children disadvantaged by a range of issues including poverty, disability and domestic violence. We believe that with your support, we can give vulnerable children a fair chance at life.

Thank you for your support and for believing in children.

How your money helps.

By taking part in Hat Day, you will be helping children like Jessica:

"I am 10 years old and have three sisters. One of them has Asperger's and ADHD. It means my mum has to spend more time with her when she has meltdowns. It's a bit hard as I have to keep my younger sisters out of the way.

Being part of Barnardo's Young Carers project means I get a break. They organise trips out and they give me time to talk about things, I really enjoy it."
