Dear Parents and Carers,

A very warm welcome back to Janet Ong who has joined our team.

Class Two, We the Curious, Bristol

Class Two thoroughly enjoyed their day exploring and investigating the interactive exhibits and experiments. The children experienced what it would be like to travel and explore our solar system with a visit to the planetarium and also took part in a workshop investigating different light sources.

Class Three, We the Curious, Bristol

The children had a fantastic day. Inside the planetarium, they watched a 3D film all about the invention of flight and they also took part in a workshop, where they explored levers, pulleys, cams and gears.
