Dear Parents and Carers,
Year Four, Tennis Festival

Year Four had a great time learning some new tennis skills. They learnt how to use their forehand, backhand and especially enjoyed playing against their teachers.

Classes Three and Four, First Aid Training

The children thoroughly enjoyed learning essential first aid skills this week with Liz Greenway from Abbeymead Safety Training. They learned how important first aid is and practiced useful skills including CPR, how to help someone who is choking and how to put someone into the recovery position. Thank you Liz.

Class Four, Friday 1st February, BSO 'Celebrations' and Apple Store Field Trip, Exeter

Your child will need to be dropped at the Village Hall for 7.20 am and will need to wear their school uniform and bring a warm waterproof coat, packed lunch, snacks and a non-fizzy drink. Please collect your child from the Village Hall at 5.00 pm.

NHS Dental Survey Consent Forms for 5 year olds

Please return any outstanding consent forms to the school office by Friday 1st February.

Residential Payments

Please note the deadline for all residential payments is Tuesday 30th April.

Please send in any residential payments to the school office with your child's payment card, making cheques payable to Devon County Council, or send cash in a sealed, marked envelope. Thank you.

DEVON & SOMERSET
FIRE & RESCUE SERVICE
SLEEPOVER

If your child is invited to a sleepover you will want them to be safe - both in general and in the event of a fire. So before you agree here are some things that might help.

Check that your child:

- Is normally woken by and recognises the sound of a smoke alarm
- Knows what to do if they hear a smoke alarm go off
- Knows not to hide from fire
- Knows how to raise the alarm
- Is happy to ask about the escape plan of the place they are going to
- Will tell you if they don't feel safe

If you are in any doubt:

- Reverse the sleepover and invite the friend to your home instead

And remember to:

- Go through your fire plan with any guests you have staying

CHECK THAT:

- There will be a responsible adult present at all times in the property.
- There is a working smoke alarm.

Some of these questions may be uncomfortable to ask but why not look at it this way: you wouldn't dream of travelling in a car without seatbelts - they are lifesavers if there is an accident.

Working smoke alarms and escape plans are like seatbelts for sleepovers - you hope never to need them - but they must be there just in case ...
