Behaviour Principles

We aim:

- To achieve a code of conduct which gives respect to all pupils, adults, property and environment regardless of differences.
- To base discipline on respect and fairness and reward all positive behaviour.
- To ensure high expectations of behaviour to promote a safe, happy and stimulating environment in which highly effective teaching and learning can take place.
- To ensure that all staff present a constant shared expectation of children's behaviour.
- To expect all behavioural issues to be addressed in an appropriate manner.
- To expect all staff and governors to be good role models for our pupils.
