Dear Parents and Carers,

River Torridge trip, Class 4

The children enjoyed finding the source of the River Torridge in a boggy field and following it on the coach, stopping at Meddon, Sheepwash and Torrington. They finished their day at Instow where they could see where the Torridge and the Taw meet and in the distance could see the mouth join the Bristol Channel. They measured the flow of water in the different places, made field sketches and even found some magical giants in the woods on the Tarka Trail and wrote poetry inspired by them! They will be using their field day to inspire more learning in the classroom.

Ilfracombe Trip

The children visited the coastal town of Ilfracombe to learn more about the local coastline and wildlife found in and around the area. They visited the Tunnels Beach where miners had carved into the cliff face to get to the beaches on the other side. When the children reached the beach, they saw the effects of erosion on the coastline. They also visited the Ilfracombe Aquarium and learnt about the wildlife found in our local rivers, harbours, oceans and around Lundy Island, they explored the rock pools to find different marine life and to end the brilliant day they visited Ilfracombe Infants School and swam in their heated swimming pool; it was lots of fun!

Years 1 and 2 Football at Bideford College

The children had a great afternoon learning football skills with Exeter City Football Club. They then had a chance to split into six teams and play some matches.

Multi-coloured Day Thursday 28th April

Thank you for joining in
and wearing lots of different
colours. You helped raise
an amazing £103! Maya
